MADIKWE SAFARI LODGE

MADIKWE, SOUTH AFRICA

The Madikwe Safari Lodge is one of the largest free-malaria sanctuaries in South Africa. The Safari Lodge allows guests to enjoy from several distinctive experiences that are driven by adventure and togetherness, such as private travels, exciting safaris, spa and wellness treatments, crafted cuisine, family activities, and much more. The luxurious reserve is composed by three lodges, the Madikwe Lelapa, which is destined for families and children, the Madikwe Kopano, characterized by a more intimate setting exclusive for a small group of friends, and the Madikwe Dithaba that has a more romantic vibe and provides outstanding views to be enjoyed in the company of loved ones. In the first one, guests can expect a particularly warm hospitality service full of comfort and charm. Lelapa has 12 generous suites defined by a natural essence. Within numerous comfy features, these suites have indoor and outdoor showers as well as a private plunge pool. The second lodge is intended for smaller gatherings having four luxurious suites and a common area. This lodge allows guests to be in touch with the sounds of nature and to truly experience fine dining.

The Dithaba lodge has four suites with private plunge pools, becoming the perfect place, in which one can socialise with friends and, contrary to the others, it is located in a higher position providing superb views over the open plains. Madikwe has a very biodiverse character and historic sense, having a wide variety of features that will propel one's experience, from a rich biodiversity of mammals to excellent birdwatching, to a broad mix of habitats, to a diverse geology, to intimate accommodations that give access to the most astonishing views over game-filled plains. In reference to weather, the region is classified as semi-arid and the climate varies as from September to April, visitors can enjoy hot wet summers whereas from May to August, cool dry winters strike the region. Nevertheless, the Safari Lodge's activities are made having in consideration the temperature, thus being the perfect all-year-round destination for tourists. In addition, the Lodge organises morning and evening game drives in open safari vehicles and bush walks for visitors to have the possibility of exploring everything up close and personal. There are also tours to the ecology house and the local community village. In regards to suppers, guests can benefit from bush breakfasts and dinners, as well as boma dinners, and there are also plenty of activities for children to have the time of their lives.

“In addition, the Lodge organises morning and evening game drives in open safari vehicles and bush walks for visitors to have the possibility of exploring everything up close and personal.”
