

EXPERIENCE CAPE CADOGAN

Cape Cadogan Boutique Hotel

Cape Cadogan Boutique Hotel is a grand old dame (with National Monument status), dating back to the early 1800s. But her bold and quirky style sets her firmly in the 21st century, without losing any of her charm. From the outside, this original Georgian house, with Victorian influences, looks like a private residence, and each of her 15 rooms – individually decorated – is intended to make guests feel at home away from home.
