- Board Games

WINTER ACTIVITIES

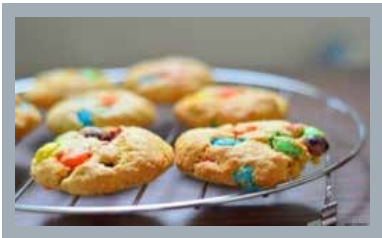

- Cookie Baking
- Scavenger hunt
- Spoor Casting
- Rock Painting
- Board Games

ACTIVITIES EXPLAINED

COOKIE BAKING:

With dough provided by the Chefs, we can create our own cookies and decorate them with all kinds of delicious extras.

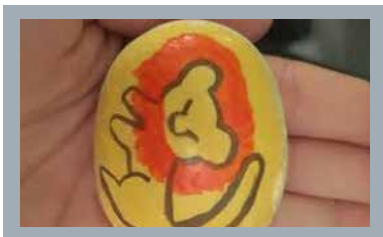

SPOOR CASTING:

Guides take them out into the bush and teach them how to find and follow tracks as well as making a mould of the tracks that they found.

ROCK PAINTING:

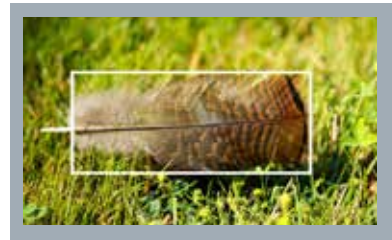

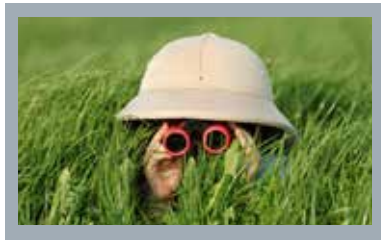

On game drive their guide will help them find rocks to bring back to the lodge for rock painting. During the activity for the day they will get to paint their favourite animal on their rocks.

ACTIVITIES EXPLAINED

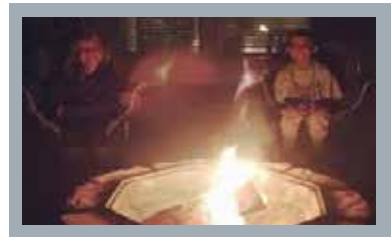

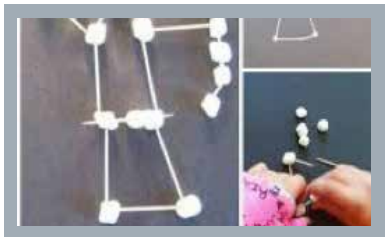

SCAVENGER HUNT:

Kids are given a checklist and supplies and race to find everything on the checklist to collect a special prize at the end.

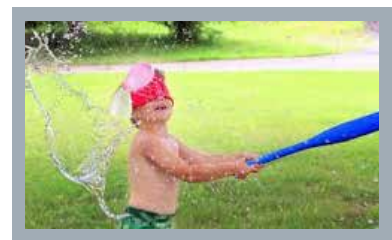

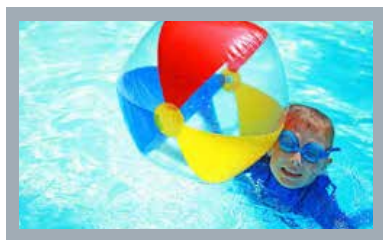

BOMA MARSHMALLOWS (SUMMERS ONLY):

Laying around a camp fire, while enjoying roasted marshmallows.

POOL GAMES (SUMMERS ONLY):

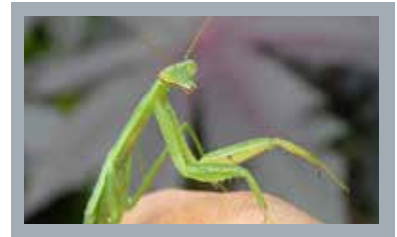

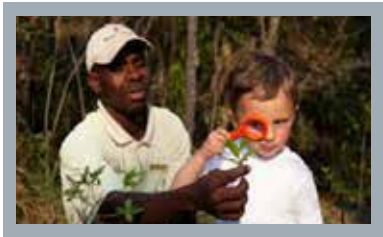

A variety of water games are available for those hot summer days.

ACTIVITIES EXPLAINED

BUG CSI (SUMMERS ONLY):

Guides take kids into the bush in search of bugs and learn about them and how they help in nature.

BOARD GAMES:

These games are played in the afternoons after all the other activities have ended. Parents are more than welcome to join in these games. These games will be outside and will only be moved inside in the case of bad or rainy weather as we promote being outside in nature.
